Chairman Biane supports Seniors Day event

SAN BERNARDINO – On Tuesday, the Board of Supervisors approved a \$10,000 allocation to support the 5th annual Celebrating Seniors Day Healthy Aging Fair hosted by the San Bernardino County Department of Aging and Adult Services.

“Our seniors deserve our thanks, our admiration and our support,” said Chairman Paul Biane, who requested the funding. “Seniors laid the foundation for the communities we live in, and they continue to make a difference today by volunteering with local churches, schools, nonprofit organization and public agencies.”

The Celebration Seniors Day Healthy Aging Fair was held on Sept. 12 and featured more than 80 senior service providers, vendors and free health screenings.
